Subject: Congratulations! UT Engineering Fellowship Award

Nasim Soltani (ns38942):
Congratulations! You have been selected to receive the *Engineering Foundation Endowed Graduate Fellowship* from the Cockrell School of Engineering for 2025-2026. You will receive the fellowship **Fall / Spring**, unless you petition otherwise (see link below).

NEXT STEPS: View your award in **LASSO**. No thank you letter is required for this scholarship because the donor is either deceased or anonymous. You may be asked to approve your BORQ/FERPA, if applicable.

ENROLLMENT REQUIREMENT: Recipients are expected to enroll full-time, nine hours each fall and spring.

RESCHEDULE YOUR AWARD: If you do not plan to enroll in classes for any reason, complete a Scholarship Schedule Form to petition when your fellowship is paid. Do not complete this form until your plans are finalized.

PAYMENT: Your funds will be used to pay your university expenses first, including tuition and/fees. Any remaining funds not needed to cover university expenses can be used for any other expenses (off-campus housing, etc.). Please note that if you receive financial aid from The University of Texas at Austin through FAFSA/TASFA, this fellowship will be included in your overall 2025-2026 financial aid.

You could expect to receive any *remaining* funds by about **September 15th**. The payment will appear in Where's My Check *after* funds are transmitted to you.

DIRECT DEPOSIT: We *highly* encourage you to set up direct deposit **(EFT)** by providing your bank information in My Bank Information. If you do not complete your bank information online, any remaining scholarship funds will be mailed, which is less secure.

Please email this address (not LASSO) if you have questions, and include your UT EID.

Best wishes,
MICHELLE MANSOLO Director, Engineering Scholarship Program
